

Andover Soccer Association 2010 - 2011 “Partners” Program Advertising

Andover Soccer Association, is a non-profit association serving Andover, MA youth soccer. In the Fall of 2009 ASA launched its new website, www.AndoverSoccer.org. In addition to greatly expanding and improving content and making the user experience more interesting and interactive, the new website allowed the Association to launch its ASA Partners Program.

ASA continues to seek appropriate business “Partners” who would financially support ASA’s mission of providing healthy, supportive youth sports opportunities to the children of Andover. In return, ASA Partners would receive advertising space on the ASA website, a positive affiliation with a successful and highly visible Andover organization, and access to ASA’s 1200+ member families. ASA is a 501(c)(3) non-profit organization.
